Novel Coronavirus (COVID-19)

March 17, 2020

Since the end of 2019, there has been emerging public health concern regarding an outbreak of respiratory illness, now called COVID-19, caused by a new strain of coronavirus.

As of Monday, March 16, 2020, all classes will be temporarily delivered via interactive distance learning (IDL). On Tuesday, March 17, 2020 the administrative staff began working remotely due to the shelter-in-place order throughout the Bay Area counties.

You can continue to contact the school via email or phone calls. All calls will be forwarded. Students can continue to enroll and register for classes that are meeting online.

GGLS is actively monitoring the developing situation with respect to the spread of the disease and the impact on the school. Your safety and wellness are our highest priority. We ask all school members, incoming students and visitors to please take care of yourselves and follow local ordinances. Stay calm and support your family and community.
